***KINDNESS &
GOODNESS***

Midweek Fellowship

The call of discipleship is to go public with our allegiance to Jesus in the face of a hostile world. Jesus tells His followers to deny themselves, take up their cross and follow Him. It is essential for disciples to serve Jesus and play their part in His mission whatever the price. While we find great reward in doing so, there is also cost to our reputations, our time, our money and our energy. We must not dodge the truth that discipleship comes at a cost.

***Reflect on these questions
for Wednesday evening:***

1. What things in your life are costly yet rewarding?
2. In what ways might following Jesus involve denying yourself?

Prayer Points

Economic difficulties of recent years have made it very challenging for many people to find stable employment, leaving many of those affected in poverty and feeling less valued by society. *Pray that the church would speak up for the economically and socially disadvantaged and continue to affirm the worth and value of every person.*

Global Refugee Crisis

Pray for all those living as refugees. Pray for their safety & that those who need humanitarian/ medical assistance will receive it.
