

Christian Aid Week 12th - 18th May

If you can spare an hour and would be willing to help with house to house collection, please contact Caroline Jebb on 078 0323 7573.

Christian Aid is determined to end poverty and injustice worldwide with the help of our supporters and partners.

Christian Aid is an international aid and development agency of the Protestant Churches of Great Britain and Ireland.

As part of the Christian Aid family, they work across 37 countries to support poor and marginalised people, whatever their beliefs, sexuality, gender or ethnicity, to lift themselves out of poverty.

Christian Aid has a special focus on 22 core countries, where they concentrate their efforts to best effect.

Christian Aid believe all people should be treated with respect, care, and have the opportunity to live a life of peace, dignity and worth.

In a world with such wealth as ours, no one should go without food, shelter, security or any of the other basics we all need.

It works for and with people of all faiths and none, as well as with churches and other organisations, to promote sustainable development, strive for social justice and pursue our vision of a world without poverty.

Morning Worship

Rev. Paul Jamieson

John 13:1-12

A lesson in humility

Paul's Points:

1. A ministry of Forgiveness

2. A ministry of Humility

3. A ministry of Service

Catering Fundraising

If you are willing to either help and/or provide food, please add your name to the list in the foyer. Your help would be very much appreciated.

Prayer Points

A fresh round of talks aimed at restoring devolution is underway. *Pray that those involved will receive abundant grace and wisdom, and that the talks would be held in a spirit of generosity, goodwill, respect and empathy for one another. Pray that the talks are productive.*

Pray that those who have suffered bereavement recently would seek peace in Jesus.

Pray that poverty throughout the world will be exposed and practical ways will be sought to end it.

Pray that we may challenge and change the structures and systems that favour the rich and powerful over the poor and marginalised.
